the EU
2014-2020

Your new job is waiting for you at the Finland Works online recruitment event!

At this virtual recruitment event, Finnish employers are eager to contact jobseekers who are looking for new job opportunities. Whether you are on the look-out for seasonal work or for something matching your skill set and education, you'll be sure to find something interesting – either a new job or information about living and working in Finland. Participation is free of charge.

When and where?

Time: 11 February 2021, 10:00-16:00 (CET)

Place: Online via the address https://www.europeanjobdays.eu/en/Finland_Works_2021

You could be the one the employers are looking for – come and join us!

How do you participate in the online event?

- You can take part anywhere. All you need is a computer or mobile device and an internet connection. The language used during the event is English.
- Register to the event, create your profile, have a look at the employers and the vacancies on offer and apply online for those that you find interesting.
- Job opportunities increase, as the date of the event approaches, so browse through the various job options and apply as soon as possible for those matching your skills and expectations.
- During the event, you can see presentations by the companies and participate in the online chat or discuss employment possibilities with the employers via SKYPE.
- Prepare for an online interview and respond immediately to an interview invitation sent by the employers. [Video: Guide on applying for jobs and scheduling an interview](#)

Register now and be one step closer to your dream job in Finland!

*Finland Works is one of the European Job Days events which are organized European wide.
The event is part of the EURES (European Employment Services) network's activities and is coordinated by the TE-services
in cooperation with the 'Labour Mobility in Europe' Initiative.*
